FOR IMMEDIATE RELEASE

NCMIC and ChiroHealthUSA Pledge Annual Contributions to ChiroCongress Cares to Support Legacy of Leadership Student Scholarship Program

Molalla, OR - August 10, 2023 – NCMIC, the leading provider of chiropractic malpractice insurance, and ChiroHealthUSA a provider owned network, that works in conjunction with a Discount Medical Plan Organization (DMPO), are pleased to announce their annual pledges to ChiroCongress Cares in support of the Legacy of Leadership Student Scholarship program. NCMIC has committed to a \$5,000 annual pledge, while ChiroHealthUSA has committed to a \$2,500 annual pledge.

The Legacy of Leadership Student Scholarship program aims to recognize and empower the future leaders of chiropractic by awarding a \$5,000 scholarship to a deserving chiropractic student each year. The recipient will be announced during the annual ChiroCongress Convention, a premier gathering of chiropractic professionals from across the nation. This year's convention will take place in Waikoloa, HI.

Kristi Hudson, Vice President of Business Relations for ChiroHealthUSA, expressed her enthusiasm for the scholarship program, stating, "We are delighted to support the Legacy of Leadership Scholarship. The scholarship is an incredible way to honor leaders of the past and present while cultivating the leaders of the future. We encourage all of our partners to establish or help fund scholarships that help offset the educational costs for our future generation of chiropractors."

Dr. Wayne Wolfson DC President of NCMIC Group commented, "We believe in investing in the next generation of chiropractors who will carry the torch of leadership. Our pledge reflects our commitment to supporting the educational needs of chiropractic students, and we are proud to contribute to the Legacy of Leadership Student Scholarship program."

"ChiroCongress Cares is grateful for the generosity and dedication demonstrated by NCMIC and ChiroHealthUSA. Their ongoing support will significantly impact the educational journey of deserving chiropractic students, allowing them to pursue their dreams while alleviating some of the financial burdens associated with their education", Dr. Don Cross, President of ChiroCongress Cares added.
