

#ChiroCares2021 SUPPORTING MENTAL HEALTH FOR ALL

Our team is supporting mental health and drug-free care in our community by participating in a **virtual walk** with NAMIWalks Your Way: **A United Day of Hope on May 22, 2021.**

We encourage you to join our ChiroCares NAMIWalks National team and/or contribute to the cause by visiting: chirocongress.org/chirocares.

In collaboration with ChiroCongress, F4CP and our Chiropractic State Association, we thank you in advance for participating in the second annual National ChiroCares Giving Back Day. A day doctors of chiropractic (DCs) give back to the community.
