

# #ChiroCares2021 SUPPORTING MENTAL HEALTH FOR ALL

Our team at  
is supporting mental health and drug-free care in our community by  
participating in a **virtual walk** with NAMIWalks Your Way: **A United Day  
of Hope on May 22, 2021.**

We encourage you to join our ChiroCares NAMIWalks National team and/or  
contribute to the cause by visiting: [chirocongress.org/chirocares](http://chirocongress.org/chirocares).

In collaboration with ChiroCongress, F4CP and our Chiropractic State  
Association, we thank you in advance for participating in the second annual  
National ChiroCares Giving Back Day. A day doctors of chiropractic (DCs)  
give back to the community.
